

Hillside Middle School

2006

The background of the cover is a dark, textured surface with vibrant, swirling patterns of red and blue. The red patterns are more intense and concentrated in the upper right, while the blue patterns are more ethereal and spread across the lower half. There are bright, glowing light effects, including a prominent white and blue streak in the lower right quadrant, suggesting a sense of motion and energy.

Hillside MS

Home of the Raiders!

The Hillside mission is to provide a dynamic, comprehensive program which challenges all students to reach their potential both during and beyond the school day in a safe and caring learning environment that includes nurturing staff and parents who model respect, honor diversity, and recognize the individual needs of all students. Student who leave Hillside will be prepared to move into the world of Northville High School and the 21st Century.

Hillside student council presents the Red Cross with money raised for Hurricane Katrina victims from the "Hillside Has a Heart" fundraiser.

Friendly faces make happy places!

Show your colors Hillside!

Spirit Week

Spirit week this year resulted in the celebration of the transfer of the official "symbol of pride" as Hillside beat Meads Mill in the homecoming game, 20 - 8.

October 24 - 28, 2005

The annual Hillside "pep" rally gets school spirit soaring!

Hillside is Alive with Pride!

A Rainbow of Color!

Question: What is your favorite class at Hillside?

Question: What do you like most about Hillside?

"My favorite class is Home Life Skills and the thing I like best about Hillside is making lots of friends."

"My favorite class is gym and my favorite thing about Hillside would be playing basketball and football."

"My favorite class is choir and my favorite thing about Hillside is getting together with my friends."

"My favorite class is science and my favorite thing about Hillside is working with chemicals in my science class."

Students mix up a batch of something wonderful.

Students learn how to build their own web pages and use computer graphics to enhance everybody's life!

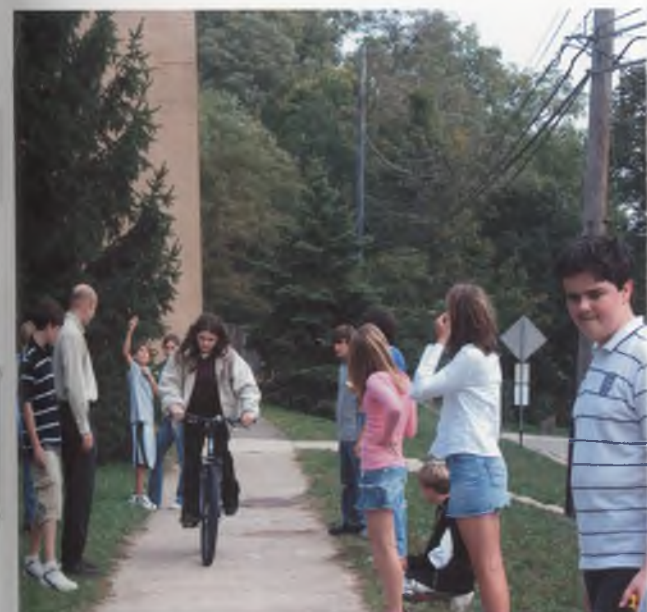

Students dance the proper line for "Boot Scoot and Boogie"!

Making a stick figure from paper to reality. Art in action!

Katherine demonstrates Newton's Laws of Motion as she rides a bike while the class calculates her acceleration.
