## Problem of the Day

Maggie is running for class president. A poll revealed that 40% of her classmates have decided to vote for her, 32% have decided to vote for her opponent, and 7 voters are undecided. If she needs 50% of the vote to win, how many of the undecided voters must vote for Maggie for her to win the election?

*People, like you and me, and their ideas  
are the building blocks of our society. One  
man and his creativity changed history  
forever. This man spent his whole life  
dedicated to building a machine that  
could change the vehicle of travel. The  
personal drive and spirit of Henry Ford  
makes him my Michigan Hero.*
