- Displaced (not marking grave)

Type of Marker / Monument:

probably headstone

Type of Tombstone Arch:

unknown

Previous Repairs:

Remarks / Comments: The top section of this stone is lying on the ground between Markers 354 and 356. The bottom section is leaning on Marker 356. It is probably close to marking the grave, but no separate base was found. This marker may be complete and just pulled from the ground.
